

# HAPPY *Restaurant Week!*

OCTOBER 8 - 14, 2023

Hattiesburg Restaurant Week is the gastro-event of the season, featuring **limited-time specials and week-long discounts at local Hattiesburg eateries!**

Home to nearly 200 locally owned restaurants, Hattiesburg has more local eateries per capita than any other Mississippi town, making it a premier culinary destination. **Hattiesburg Restaurant Week helps to stimulate the local economy and boosts support for Hattiesburg's award-winning restaurant scene.**

Now in its sixth year, this year's OctoberFEAST is *nacho* your average foodie event. More than 40 of Hattiesburg's local restaurants are ready to share some of their *grate-est* creations. **Each eatery has taken on the challenge of incorporating their choice of cheese into small plates, mains, and desserts.** Savory? Sweet? Something in between? **Whatever you like, we're sure it'll be *brie-lliant!***

Hattiesburg Restaurant Week is a program of VisitHATTIESBURG, with support again this year from natural gas provider Spire, known for energizing restaurant and residential kitchens throughout Hattiesburg.

We've *provolone-d* long enough, what else do you need to know? **This Foodie Guide is sorted by neighborhood to aid diners in planning their Hattiesburg Restaurant Week culinary adventure.**

Check out each restaurant's social media channels for pictures, hours, more details, or questions.

>> *RW Exclusive:* Off-menu exclusive or limited-time special.
